Our Story

At Oliver's we pride ourselves in providing traditional Fish and Chips with our unique menu, which will keep you coming back for more.

Since 2010 years we have gained a reputation for high quality Fresh Fish and Tasty Crispy Chips plus our wide range of other Mediterranean Fish dishes and not forgetting our Gluten Free days.

All our Fish is fried in vegetable oil with the latest frying technology ensuring that we give you the healthiest Fish and Chips possible.

We only use White Fish such as the best Cod, Haddock, Plaice and Sea Bass as well as fabulous Salmon and Tuna and do not have any meat products or Shell Fish on our premises.

We also feel its really important to only ever use fish from sustainable sources wherever possible.

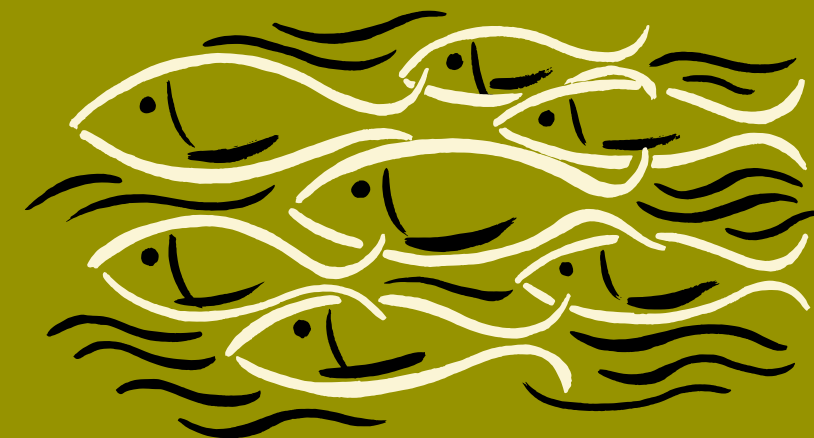

We look forward to serving you our fabulous Fish and Chips at our places in NW3 or N20 which offer Takeaway, Eating in and Home Delivery.
